February 2010

Dear Senior Parents,

This packet includes everything you need to register your graduate to attend the 2010 ALL NIGHT GRADUATION PARTY. This annual event is organized by parents and sponsored by the Torrey Pines High School Foundation. The party is a chaperoned, alcohol-free and drug-free event, held at *The White House* in Anaheim, a safe environment in which our graduates can celebrate and have fun.

In past years, the party has taken place on-campus with elaborate sets and decorations that transformed the campus into something out of this world. This was due to the efforts of dozens of volunteers who spent countless hours in a rented warehouse, constructing and painting decorations for the special night. Many more volunteers were needed to work on the food, fundraising, entertainment, prize, reservation and security committees. The night-of required no less than 150 volunteers to work all through the night; and then there was the clean up. All of that effort with a cost that exceeded \$160 per student.

With fewer and fewer parents volunteering, last year it was decided to enlist the help of a professional organization, specializing in teen events with the emphasis on safety. The 2009 TPHS graduates were the first to travel off campus to *The White House* and experience all its exciting and fun amenities. We received rave reviews from students and parent chaperones. All were completely satisfied with the safety and the many activities and entertainment that this venue had to offer.

This year we are hosting several fundraising events to help defray the cost of the evening. They are: Catalyst Prep Sat Boot Camps, Sees Candy Spring Sale, and various types of recycling at the April 24th Rummage Sale. Please support these activities.

As always, parents will be expected to drop-off and pick-up their graduates from campus. Graduates will be transported by luxury motor coaches to and from the party location.

Lastly, there is only the need for 20 chaperones to attend this event. We would like you to enjoy your evening, visiting with family and friends and let the non-senior parents volunteer on this special night.

Sincerely,

Bobbi Karlson
